

Course Add/Drop or Audit Form

- Students in a full-time program wishing to add, drop or audit a course within their program are required to complete this form. Faculty's approval does not guarantee space or registration in the course.
- Extra course fees will apply for additional courses (above the normal course load for the session). **The payment of fees by cheque or credit card is required at the time of registration.**
- If you are not currently registered in a program or wish to take a course that is not part of your program, you must register through Part-time Studies at the Registrar's Office.
