FACULTY, DON'T FORGET!

BOOK THE RESPECT PRESENTATION FOR YOUR CLASS!

The Respect Campaign is proud to offer its well-received video presentation for classes again this fall!

The Respect video showcases a series of honest stories from Conestoga students who have generously offered to speak about their experience on cam-

pus. The students speak candidly about the challenges they face to succeed at Conestoga, and what Respect means to them on campus and in our classrooms.

Your students share a responsibility to understand the diversity of student demograph-

ics at Conestoga in order to learn with, lead others and communicate more effectively.

The presentation is available in a 1-hour and 1.5-hour format. The presentation includes exercises and a facilitated debrief discussion about respect.

COMING TO THE BOOKSTORE... RESPECT T-SHIRTS!

Respect t-shirts are now available in the Conestoga Bookstore!

With a funky design created by Graphic Design student Marian-gelica Forero,

the t-shirts are a great way to show that you believe in Respect at Conestoga!

A portion of all proceeds will support student awards and bursaries!

The black t-shirts are available for \$21.45 plus tax.

ENCOURAGE YOUR STUDENTS TO JOIN THE RESPECT REP TEAM!

This year, we've re-branded the Respect Campaign Student Committee at Doon Campus, and we are proud to introduce **RESPECT REPS!**

The Respect Rep team is a terrific volunteer opportunity for students to promote Respect at Conestoga while providing leadership for Respect events throughout the year.

The team meets once every two

weeks to plan activities, while participating in educational teambuilders that explore subjects related to diversity.

Last year, close to 50 students were part of the team.

We encourage you to share with students that this is a great way to build their leadership potential while making new friends!

To join, students can visit the Student Life Office in Room 2A101-2 (Doon) to pick up a sign-up sheet.

DID YOU KNOW...?

During the 2010/2011 academic year, the Respect Campaign facilitated:

- 103 in-class presentations
- 5 staff/faculty open viewings
- 7 student leader presentations
- 1 student open viewing
